Lastly, for those with a true interest in the discipline of global historiography: since 2008 a new undergraduate-level textbook named A Global History of History has been published by Daniel Woolf. I have bought and read that - as an undergraduate textbook it was a little dry and a little superficial, but it covers the full span of history.

### Amazon.com: Customer reviews: A Global History of Modern ...

Modern World History. The modern world history, the modern era or the modern period is the global, linear, historical-geographical approach to the time frame that comes post the classical history. Perhaps, this view is in contrast to the non-linear or rather the organic view of history which was initially put forth by the famous historian and philosopher Oswald Spengler in the early 20 th century.

A Global History of Modern Times Assignment Help Modern period is the period where we are living and therefore it is of utmost importance to know about this era properly. In order to know about something we must know about its history and modern history is clearly the way to know about the modern era.

### A Global History of Modern Times | Histroy Assignment Help

Global history teaches us to recognise that there has been a relatively short period (three centuries, not much more) of Western geopolitical, scientific and technological hegemony when all historiographical traditions (including separable traditions of European nations) extolled, rejected or adapted to alien packages of modernities on offer from outside their own more or less insulated frontiers and cultures.

### Global History - Articles - Making History

Global history of modern humanitarian action. March 2011 to March 2015. This research project seeks to promote the use of history in the practice and policy-making of humanitarian action. The aim is to help the sector better understand its history and make greater use of historical analysis and lessons in current discussions and debates aimed at improving humanitarian action.

### Contested Fields : A Global History of Modern Football ...

World history or global history as a field of historical study examines history from a global perspective. It emerged centuries ago; leading practitioners have included Voltaire (1694-1778), Hegel (1770-1831), Karl Marx (1818-1883) and Arnold J. Toynbee (1889-1975). The field became much more active (in terms of university teaching, text books, scholarly journals, and academic associations) in ...

**World history - Wikipedia**

Few cultural activities speak more powerfully to international histories of the modern world than football. In the late nineteenth century, this cheap and simple sport emerged as a major legacy of Britain's formal and informal empires and spread quickly across Europe, South America, and Africa. More slowly and hesitantly, it made inroads into the sports cultures of North America and ...
