### **Interior Design | Human Sciences and Design | Baylor ...**

Philosophy of design is the study of definitions of design, and the assumptions, foundations, and implications of design. The field, which is mostly a sub-discipline of aesthetics, is defined by an interest in a set of problems, or an interest in central or foundational concerns in design. In addition to these central problems for design as a whole, many philosophers of design consider these problems as they apply to particular disciplines (e.g. philosophy of art ).
