A Successful Law School Exam

The takeaway message: ask the right questions, and don’t be afraid of ambiguity! Taking Law School Exams the 80/20 Way It’s a truism that 80% of your results come from 20% of your effort. In the case of law school exams, this is absolutely true.
Law School Exams 101: What You Need to Know to Succeed
Successful students deconstruct the fact pattern and break down the exam hypothetical into individual disputes to analyze. To do this, first identify the opposing goals of each party and then identify the legal theory (or theories) each party might assert to accomplish its goals. Finally, frame the dispute and address any issues.
