From Paleolithic Age to Contemporary Art From pre-history to present day, cave paintings to computer art, classical music, photography, illustration, posters and many more, History of Art brings together art from every age

History of Art

The history of art is often told as a chronology of masterpieces created during each civilization. It can thus be framed as a story of high culture, epitomized by the Wonders of the World. On the other hand, vernacular art expressions can also be integrated into art historical narratives, referred to as folk arts or craft.
