Annexure To AS 2124 - 1992: Part A

Standard form contracts in construction and engineering works have been around for some time. The Australian Standard AS2124 General Conditions of Contract from 1991 is still favoured by many sectors, particularly some Government clients. AS 4000 came to be seen as the modernization of the standard, and again, even though it was drafted in 1997 it is still a popular and user friendly document.

Australian Standards in Contracting - LC Lawyers

Australian Standard General Conditions of Contract AS2124-1992. General. This Australian Standard prepared by a number of scientific, industrial and governmental organisations is still the preferred document for many government departments. It provides for either a lump sum or a schedule of rates type of contract and the bill of quantities may or may not form part of the contract or it may form part of the specification.
