Chakras Awaken Your Internal Energy Balance Chakras Radiate Energy And Healing Through Meditation

Chakras Awaken Your Internal Energy
A chakra is an energy center in our body. It is a kind of a vortex, exchanging the energy with our surroundings. A well-balanced chakra is in-tune with the external energies and can process the full vibrational spectrum of its range without interference (blockages). When all the chakras are balanced and in tune our perception of reality is much clearer because our view becomes guided by...

Understanding Your Chakra Colors, Meanings & Functions
By working on this chakra, you can awaken your true personal inner power and work through your fear of taking risks. Navasana (Boat Pose) Begin seated with your legs ahead of you. Hug your knees into your chest, and then grab behind your knees to help lift your feet off the floor and balance on your sitting bones.

Opal Meaning and Uses - Crystal Vaults
“Your inner child is an essential part of the intricate patchwork that makes up your identity. When you ignore or deny your inner child, he/she is doomed to wither away within the deep dark vaults of your unconscious mind.” ~ Aletheia Luna #12 “We as adults minimize our inner child’s desires. We silence their voices and messages.

Birthmark Location Meanings: Reveal Your Psychic Abilities ...
Thus, any healing technique which deals only with the physical body and the energy field of the individual tends to accomplish one thing: it jump starts the individual, so to speak, and gives him or her an added boost of energy. That energy boost then allows that person's own internal healing mechanism to become mobilized into greater activity.
