Forensic Autopsy A Handbook And Atlas PDF

The medicolegal or forensic autopsy is performed at the request of police, prosecutor, or court by a forensic pathologist—usually in unnatural (violent) deaths, in otherwise sudden unexpected deaths, and in some unwitnessed deaths. The main purposes of a medicolegal autopsy is to reveal the cause of death for the legal system, and in criminal deaths to collect trace evidence and other evidence in order to provide information to reconstruct and to interpret a chain of events, and in some ...
