The history of Hamburg begins with its foundation in the 9th century as a mission settlement to convert the Saxons. Since the Middle Ages, Hamburg was an important trading center in Europe. The convenient location of the port and its independence as a city and state for centuries strengthened this position. The city was member in the medieval Hanseatic trading league and a free imperial city of the Holy Roman Empire. From 1815 until 1866 Hamburg was an independent and sovereign state of the Germ
