Joan Procter Dragon Doctor The

Joan Procter, Dragon Doctor is my favorite non-fiction kids book of all time! An extremely well written and beautifully illustrated account of a girl that wasn't like the rest. (Also an example of a girl that struggled with health issues and still lived to the fullest). I'll be gifting this book to my child's teacher soon!

Brightly Storytime: Joan Procter, Dragon Doctor by the Brightly Editors For our latest Brightly Storytime, we've selected a picture book biography about scientist Joan Procter. Growing up in the early 1900s, Joan preferred to spend her time with reptiles while other girls her age were playing with dolls.

Brightly Storytime: Joan Procter, Dragon Doctor | Brightly

Joan Procter, Dragon Doctor is an essential addition for collections on women in STEM fields, with the broad appeal of reptiles and science for many young readers boosts this title to the top. Salas illustrates dramatically, choosing with vibrant, rich colors for the settings, the tropical plants, and the starring-role reptiles.

Joan Procter, Dragon Doctor: The Woman Who Loved Reptiles

Joan Beauchamp Procter FZS FLS was a notable British zoologist, internationally recognised as an outstanding herpetologist. She worked initially at the British Museum and later for the Zoological Society of London, as the first female Curator of Reptiles at London Zoo. Her short life was afflicted by chronic ill-health, but she undertook substantial taxonomic work and made significant innovative contributions to veterinary practice and zoo displays. She also wrote scientific and popular zoologic
