Land Surveying Problems And Solutions

Land surveyors could wish that all the trees were bare, the ground clear of snow and leaves, with comfortable temperatures and the right light. You don't often have this luxury. Bright sunshine creates deep shadows, which mask features. Rain makes surfaces wet, and even when the rain stops, water drips from the trees.

6 Challenges Land Surveyors May Face On the Job

Land surveying problems confronting the land surveyor might well be placed in two general classifications: one, the mechanical and mathematical solution of given problems, and secondly that type of problem where the surveyor must exercise judgment and knowl
