Overcoming

Resistant

Personality Disorders is a provocative and well-reasoned, yet frustrating volume. In it, the authors

challenge various authorities on the subject; for example, they criticize the DSM for its failure to

"officially endorse an underlying set of principles that would interrelate and differentiate the categories in terms of their deeper principles"

If you've been treated for depression but your symptoms haven't improved, you may have treatment-resistant depression.

Taking an antidepressant or going to psychological counseling

(psychotherapy) eases depression symptoms for most people. But with treatment-
