Image Source. Image Source. Although there are many easy landscape painting ideas, the best one is definitely the composition wherein a tree features against a beautiful sky. You get a better effect when the tree concerned is in a silhouette form. Painting trees are easy; more so, when they are required to be given a silhouette effect.

Don't paint the whole landscape to the same degree of detail: paint less detail in the background of the landscape than you do in the foreground. It's less important there and gives more 'authority' to what's in the foreground. The difference in detail also helps draw the viewer's eye into the main focus of the landscape painting.
