Sage Accounting A Step by Step Guide

The first step toward interpreting the financial results of your business is preparing a trial balance report. Basically, a trial balance is a worksheet prepared manually or spit out by your computer accounting system that lists all the accounts in your General Ledger at the end of an accounting period (whether that's at the end of a month, the end of a quarter, or the end of a year).

Preparing a Trial Balance for Your Business - dummies

In a perfect world of cost accounting, there would be no waste in manufacturing and retailing. In the real world, however, some material is flawed, some products are made wrong, and items bought for retail sale get broken. Here's how to account for the waste in manufacturing, retailing, and craft services. The inspection point in [...]
