Retail math is used daily in various ways
by store owners, managers, retail buyers, and other retail employees to evaluate inventory purchasing plans, analyze sales figures, add-on markup, and apply markdown pricing to plan stock levels in the store. Although most accounting programs do the math for you, as a business owner or accountant you should know the most common
People like buying stuff from Amazon because it’s (increasingly) fast and convenient. It is the default option for buying goods online, so some people would rather pay more and get it on
Amazon without driving across town (assuming they even have a Target nearby), standing in line, wasting gas, etc. All Products aren’t Available Everywhere.
